

**Agri-Business Incubation Centre(ABI)  
ICAR-Indian Institute of Horticultural  
Research Bengaluru-560089**

## **Entrepreneurship Development Programme on “COMMERCIAL BREEDING IN CHILLI AND CAPSICUM”**

**Course Director:** Dr. Ponnamm Naresh , Senior Scientist, Div. Vegetable Science

**Course Co-Directors :** Dr. Smaranika Mishra , Scientist, Div. Vegetable Science

Dr. Lakshmana Reddy D.C, Principal Scientist, Div. of Basic Sciences

Dr. Sandeep Kumar G. M., Senior Scientist, Div. of Crop Protection

Dr. Keerthi M.C., Scientist, Div. of Crop Protection

**Course Co-ordinators :** Dr. M. Thangam , Principal Investigator, ABI

Dr. B. L.Manjunath Principal Investigator, ITMU

Dr. RajaShankar Member Secretary, BPD

### **Thrust areas of Training**

**Opportunity to listen and discuss on chilli and capsicum crop improvement with special emphasis on**

- **Breeding lines development and Maintenance**
- **Breeding for Begomoviruses and southeast Asian thrips resistance (screening, resistant sources and molecular markers)**
- **Fungal diseases resistance breeding (screening, resistant sources and molecular markers)**
- **Male sterility (CGMS and GMS) systems- and molecular markers**
- **Breeding capsicum for protected cultivations**

#### **CONTACT DETAILS**

**Dr. M. Thangam**

**Principal Investigator, ABI ,080-23086100-431**
